SmartDose™

A simpler, safer and smarter sustainable solution

Key features of SmartDose™

1. Simple icons make system easy to use.
2. Drip-resistant spout prevents contact with concentrated liquid.
3. Portable system without need for water hook-up, installation or maintenance.
4. Fully recyclable eco-friendly bottle delivers 99.9 % concentrate evacuation.
5. SmartDose pump automatically dispenses the precise dosage.
6. Ergonomic handle improves comfort and control.
7. Sealed head.
